# Air Cargo 5 Ground Boarding Facility

Commission Meeting

April 23, 2019

# Air Cargo 5 Ground Boarding Facility

Hard Stand No. 5 North of the Airport Terminals

# Air Cargo 5 Ground Boarding Facility

## Ground Board Operations

- Location for aircraft to embark/disembark via a mobile stairway

## Ground Board Facility

- Space for employees servicing ground board operations to be protected from the elements while preparing for upcoming operations

Ground Board Facility for Airline Operations Personnel Use

# Air Cargo 5 Ground Boarding Facility

1. COBUS operation will route from Concourse D hardstand facility (D-Annex) to Hardstand 5
2. Mitigates loss of gates during NSAT construction by providing ground board operation at remote hardstand at Air Cargo (Hardstand) 5
3. Ground board operation will be functional until new gates are added under Sustainable Airport Master Plan (SAMP)
