

# Lost and Found Relocation

# Lost and Found Facility

- The Lost & Found accepts items from all over the airport including
  - TSA
  - Police
  - Terminal Areas
  - ATO (rental car busses)
  - USO
  - Employee Screening
  - Tenants
- The number of items accepted & cataloged each day ranges from 100-300+ depending on how busy the airport and checkpoints are

Lost and Found is used throughout the Airport

# Project Scope/Purpose

- Lost and Found has outgrown their space based on the number of items they must process and store.
- Relocating Lost and Found to Baggage Claim will make it easier for travelers to find
- Lost and Found will be relocated as an enabling project for the Employee Services Center

Lost and Found will be larger and easier to find

# Project Particulars

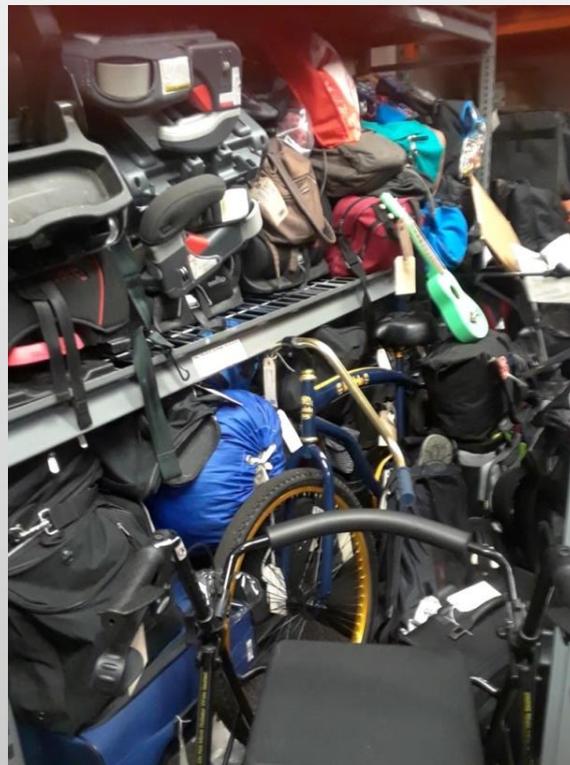

- Lost and Found facility: now: 1,846 Square Feet (was: 942 Square Feet)
- Project budget: \$1,900,000
- Project Schedule: In-use Q3 2020

Lost and Found would be ready in little over a year
